

**WAHSET State E-Meeting
February 22, 2007
Electronic Correspondence**

CALL TO ORDER

Chairperson Bev Matney called for an electronic meeting with District 1, 2, and 3 chairpersons, and the state secretary February 22, 2007.

OLD BUSINESS

Event Records

The email vote was unanimous for all districts in choosing option A. Option A established the gold medal winners times from last year (our first year as a state) as the district and state records which will begin this year's competition and be the "time to beat." This may or may not be faster than the old OHSET records we set as a district of Oregon.
